

AFH-DD Floor Plan

Please draw a floor plan of your home, on a separate sheet of paper, using the following symbols, where appropriate. An example of a floor plan using these symbols has been provided on the back of this page. The floor plan of the home must include: the location of resident bedrooms, and other occupants of the home; the location and dimensions of windows, dimensions of all bedrooms, exit routes, smoke detectors, carbon monoxide detectors, fire extinguisher and wheel chair ramps (if applicable). A diagram of the house and property showing safety devices for fireplaces, woodstoves, water features (fountains, ponds, pools, hot tubs) and outside structures and fencing. **Please attach this sheet to the back of your floor plan.**
