**BALANCING TEST REQUIREMENTS FOR LICENSED FOSTER CARE HOMES**

Dear Prescriber:

Since there is a need to protect the interests of people with developmental disabilities living in foster care homes, Oregon Administrative Rule 309-040-0052 requires that the foster home staff is required to have your signature on this form prior to the use of psychotropic medications.

I understand that:

1. The staff supporting _____ in the foster care home is required to present me with a full and clear description of behavior or symptoms of the condition to be treated by the psychotropic medication and information on any observed side effects. If needed, the information requested might include the frequency, intensity, and circumstances around the symptoms.

2. The federal Centers of Medicare and Medicaid (CMS) expect the judicious use of psychotropic medications in order to avoid chemical restraints.

   I have reviewed the information given me and believe the use of this medication is In the best interest of _____.
